

Maine Academy of Natural Sciences

Assistant Head of School

The Maine Academy of Natural Sciences (MeANS) is a public charter high school that inspires and engages students through project-based, student-centered instruction immersed in the natural sciences of Maine with a focus on agriculture, forestry, and the environment. MeANS challenges all students to connect with their education in order to grow as individuals, interact with their communities, and lead fulfilling lives. Located in Hinckley, the natural surroundings of the school play an important role in our teaching and learning. We prioritize Outdoor Learning and have immediate access to acres of fields, forests, trails, streams, and the Kennebec River.

MeANS is seeking a confident, experienced educational leader to forward the school's commitment to our values of respect, responsibility, and community. Ideal candidates will exhibit strength in problem solving, communication, organization, and attention to detail. Joining our dedicated team will also require candidates to be skilled in the following areas:

1. Managing student discipline using a restorative practices-relational approach
2. Implementation of a multi-tiered system of supports to address attendance, behavior, and social-emotional health
3. Community leadership and staff development
4. Effective communication skills with a variety of stakeholders including staff, students, families, and community partners
5. Collaborate and lead with an open-mind and focus on innovative problem solving

Qualifications:

State of Maine Assistant Building Administrator (045) certification preferred.

Applications will be accepted until a suitable candidate is found.
