

Annual Asbestos Notification

Notification on the location and availability of The Management Plan

March 13, 2024

Good Will-Hinckley Home Association has been inspected for the presence of asbestos-containing building materials. A written plan for the management of these materials has been developed. This plan is available for inspection at the following location by appointment at the Prescott Building.

Contact Michael Hinckley-Gordon at 238-4098, mhinckley-gordon@gwh.org (if information is needed immediately call Gary Dugal at 238-4000, gdugal@gwh.org)

Copies of this plan are available by request at a cost of 25 cents per page.
